Our Mission

ZDA Communications US LLC is committed to providing our customers with quality antennas and other passive component products at an affordable price. With great on time delivery and a promise to always satisfy our customers needs.

About Us

ZDA Communications US LLC is specializing in the design and manufacturing of wireless communication antennas within the 400 MHz to 6GHz spectrum. Our extensive range of antennas include: Flat Panel, Sector Antennas, Omni Antennas, Yagi Antennas, rubber Duck Antennas, Broadband and Ultra Wide Band Antennas for Wireless. Security and Civil markets. Standard antennas can be used for applications including: 802.11a, 802.16, 802.20, 802.20, 802.1b, 802.g, WiMAX, WLAN, Wi-Fi, Cellular Telecoms, RFID, NLOS, ISM, PCS, MMDS, HOTSPOT, Surveillance and Telemetry applications.

Continuing roll out of new products with advanced technologies, and a dedication to expanding our existing range of antennas and of designing custom made solutions ensure ZDA Communications US LLC continue to provide high quality, cost effective antennas.

We provide our customer with quality antennas at a very competitive price. Each antenna is individually tested before leaving our manufacturing facility and is covered by a two year limited parts warranty.

Why ZDA Communications?

1. We have more than 15 years of excellence in developing and producing cutting edge antennas for the communication industry.
2. Complete QC/QA starts from material selection to final delivery. Each of our products is tested using HP network analyzer and SUMMITEK inter-modulation test instrument before the packaging.
3. Exceedingly adaptable to advanced technology for rolling out of new products in addition to custom design to fit your particular needs.
4. Highly competitive pricing with excellent quality.
5. We believe: "The customer is always first". We will do all we can to satisfy your needs.
6. We conduct our business with integrity and strongly believe that only mutual benefiting relationship will last forever.
7. We promise you high quality products with professional service.
